## Lutheran High School

### SCHOOL INFORMATION

#### FACILITIES

N.E.W. Lutheran High School is located on the East side of Green Bay, (southeast of East Towne Mall and across from Wilder Park) at 1311 S. Robinson Avenue. The facilities measures over 29,000 square feet and includes classrooms, a gymnasium, cafeteria, computer lab, science lab, music room, locker and weight rooms. Outside the school on the 13.7 acres of land is a soccer field and baseball/softball diamonds. The land abuts a Green Bay conservancy area and with cooperation from the city of Green Bay this has been designated a 17-acre school forest for outdoor classroom use.

#### FACULTY

We currently have a professional staff of 12: Our teaching staff has over 225 years of teaching or administrative experience.

#### HISTORY

N.E.W. Lutheran High School was incorporated in 1976 and began classes in 1977. The school first rented space at Pilgrim Lutheran Church until 1981. Then it leased rooms at the old Norwood School on 9<sup>th</sup> Street until 1989 when it shared space at Premontre High School. After one year, it transferred over to the old St. Joseph Academy until 1993 until finally the current facility was built.

## ACADEMIC PROGRAM

NEWLHS prides itself in its academic program. Smaller class size allows for more teacher assistance which aids the individual learner. Students are encouraged and challenged to make the most of their academic opportunities within the classroom. The guidance department encourages proper academic preparation and active participation in high school to prepare them for post-secondary situations.

Approximately **95% of our students enter post-secondary schools**, with 70% of those enrolling at a wide variety of public and private four-year colleges or universities. Graduates also find success at the technical colleges. Traditionally about **a third of our graduates receive scholarships** to further their education.

To assist students in making appropriate career and post-secondary choices, a pro-active testing program has been implemented. The American College Testing Service battery of EXPLORE, ACT-PLAN, and ACT are utilized for assessing students' academic ability and achievement. The College Board PSAT is also administered. The Career Occupational Preference System and Armed Services Vocational Ability Battery are used to identify students' career interests and abilities. **Our five-year ACT composite was 23.0 compared to state average 22.2 and national 20.9. We were recipients of the ACT Red Quill Award in 2008 and the Red Quill Legacy Award in 2011.**

## ACCREDITATION

N.E.W. Lutheran High School was accredited by the NLSA (National Lutheran School Accreditation) in 2007 and by the NCA-CASI (North Central Association – Commission on Accreditation for School Improvement) in 2009.

## MISSION STATEMENT

*N.E.W. Lutheran High School exists to provide a Christ-centered, Bible-based, quality education and Christian environment to prepare young adults spiritually, mentally, physically, and socially to live as Christian citizens in a modern, complex world.*
