 Other: _____ (\$ _____ X _____) = \$ _____ rc'd _____
 Other: _____ (\$ _____ X _____) = \$ _____ rc'd _____

NEW Lutheran High Scrip program is in operation for the purpose of helping families pay for the cost of attendance at the school and to raise dollars for the school with a fundraising program that does not require any additional costs to you. Half of all profits from all scrip purchased will benefit NEW LHS and half will be credited to a student's tuition or the NEWLHS general fund.

Our desire is to keep on hand the scrip that is sold on a regular basis and has a profit margin that makes financial sense considering all costs to operate the program.

Scrip can be ordered and picked up as scrip is available. Items not held in stock can be ordered with at least one weeks notice and payment in advance.

Participating dealers, rebates, and denominations are subject to change without notice. Any nsf checks will be reimbursed from student's account and may be assessed a fee.
