## **NEW LUTHERAN'S PHILOSOPHY IN REGARDS TO ATHLETICS**

### **† THE CHRISTIAN PERSPECTIVE OF ATHLETICS AT N.E.W. LUTHERAN HIGH SCHOOL**

N.E.W. Lutheran High School (NEWLHS) is here to help train you for a life of service to God and man. Your coaches are here to assist you in your spiritual as well as your physical and mental growth. They want you to grow to be more like Christ and “increase in wisdom and stature, in favor with God and man.” (Luke 2:52) It is the guiding light of Christ’s Spirit in our lives that shows us how to use our mental and physical capacities for God’s glory. At NEWLHS, you are part of a unique fellowship – that of Christ’s family. Our prayer for you is that you will always continue to develop a deeper relationship with Jesus as long as you live; and that you may always have the peace and joy that He alone can give.

### **† MAKE GOD “NUMBER ONE”**

Christ taught us that we should love the Lord our God with all our heart, with all our soul and with all our mind. (Mark 12:30) God wants to be number one in our lives – ahead of family, friends, possessions, and athletics. He wants to live in us (1 Cor. 3:16) and use us to carry out His work in the world. (2 Cor. 9:8) Your coaches firmly believe that your actions in athletic contests, practices, school, and everything you do, should be an expression of God’s will for you.

### **† GLORIFY GOD**

As Christian athletes, God Himself commands us to strive for excellence and competence in our area of participation. “Whatever your hand finds to do, do it with all your might.” (Ecc. 9:10) The ultimate goal of our striving must be to give glory to our God, who is the source of all of our talents. We strive for excellence in our athletic endeavors that by such excellence God’s name might be praised.

### **† LOVE ALL PEOPLE**

The Christian athlete must also strive for excellence through adhering to the rules of the game. Our Christian duty is stated clearly in Galatians 2:5 “Follow the Lord’s rules for doing His work, just as an athlete either follows the rules or is disqualified and wins no prize.” The Christian will exhibit the principles of good sportsmanship as an outgrowth of brotherly love.

God’s command to us is “Don’t hate your brother. Rebuke anyone who sins, don’t let him get away with it, or you will be equally guilty. Don’t seek vengeance. Don’t bear a grudge, but love your neighbor as yourself, for I am the Lord.” (Lev. 19:17-18) For the whole law can be summed up in this one command: “Love others as you love yourself”. (Gal. 5:14)

## **✝ LET YOUR LIGHT SHINE**

Athletics at NEWLHS place a Christian into a special position. This position gives one a special opportunity to witness his faith through his actions and deeds, both on the athletic field and off of it, in his day to day living. The title, "Christian Athlete", carries a responsibility to Christ for everything one does and a duty to his role in life as an athlete. A Christian athlete is one who has taken the challenge of life; the challenge to do his best and dedicate himself to carry out what he feels is right in life, regardless of the consequences. (1 Peter 3:13-15). Assuming this challenge early in life is to lay the foundation for a long, full and enjoyable life. (Prov. 22:16)

Within our athletic program, we must always be aware of the opportunity that has arisen for us, as brothers and sisters in Christ, to exhibit our peace and joy in the Holy Spirit. We must be careful never to neglect our relationship with Christ through insensitivity to our fellow man; nor should we ever act in opposition to what we understand and know to be our Christian duty. To act contrary to such knowledge would be sinful. (1 Cor. 10:12)

## **✝ WORK FOR GOOD**

As a Christian athlete, we need to remind ourselves that our responsibility is not merely to avoid those things which we know will cause us problems, but to do all in our power to improve ourselves and aid those around us. As it says in James 4:17: "Whoever knows what is right to do and fails to do it, for him it is sin."

## **✝ ACCEPT AND ENCOURAGE DISCIPLINE**

When we allow wrongful acts to continue, it indicates a lack of love on our part. In Hebrews 12: 5, 6, and 8 our responsibilities are identified:

"My son – don't be angry when the Lord punishes you. Don't be discouraged when He has to show you where you are wrong. For when He punishes you, it proves that He loves you." "If God doesn't punish you when you need it, as other fathers punish their sons, then it means you aren't really God's son at all, that you don't really belong to His family."

Finally, in verse 11, the results of correction appear:

"Being punished isn't enjoyable – while it is happening, it hurts. But afterwards, we can see the results, a quiet growth in grace and character."

The Christian coach and athlete are ready to correct misconduct through Christian love. Our duty to our brothers is stated clearly in Gal. 6:1 - "Dear Brothers, if a Christian is overcome by some sin, you who are godly should gently and humbly help him back onto the right path, remembering that next time it might be one of you who are in the wrong."

# **NEW LUTHERAN HIGH SCHOOL ATHLETIC CODE**

## **STATEMENT OF PURPOSE**

This code is written as a positive guide to the development of student athletes. It is intended to set guidelines for conduct that will help athletes develop in maturity and Christianity. Our athletic mission statement is “Through serving our Lord and Savior Jesus Christ, NEW Lutheran High School’s Athletic Department is dedicated to building strong Christian leaders and growing together through the grace of God by serving our teams, school, families, and community.

## **SECTION ONE: ATHLETIC CODE**

### **1) The Athlete Himself/Herself**

Student athletes respect themselves and know that their responsibility to their team extends to keeping themselves in condition to compete physically and mentally. They are aware of athletic department rules concerning absences, attendance, conduct and eligibility. They further understand that smoking, drinking, and taking drugs are detrimental to their health and therefore not permitted during their time as a student-athlete at NEWLHS.

### **2) The Athlete in the School**

Student-athletes, once having assumed the responsibility of a position on the team, also assume the responsibility to represent that team in the school community. They do not criticize their team, coaches, and teachers or school in an irresponsible and derogatory manner. They are loyal. Athletes set an example by their conduct. They hold the respect accorded them by their teammates, coach, teachers, and school in high regard, and strive to fulfill high academic standards.

### **3) The Athlete in the Community**

In the same way, athletes know that they portray an image of NEWLHS to others outside of the school: NEWLHS competitors, spectators, and others, both in their role as an athlete and at other times. They respect the laws of the community and would not engage in activities that bring into question their team or school, in and out of their season, including all vacations. Athletes are to be clean, neat and well-groomed since they are constantly in the public eye as a representative of NEWLHS. The student athlete knows that if he/she accepts a position on the team, they have an obligation to that team and accept the guidelines of these athletic policies.

## **SECTION TWO – ATHLETIC RULES**

**1) Equipment:** An athlete is responsible for all equipment issued to him/her. All equipment lost, stolen or damaged must be paid for by the athlete. NEWLHS athletic equipment is to be

worn or used for practice sessions and contests only. Any violation may result in an athlete being declared ineligible. An athlete should wear only the equipment issued him/her, and should not permit its use by another person. All equipment is to be turned in promptly upon completion of the season, or termination of participation. If equipment is not turned in or paid for, grades or records will be withheld until completion of this requirement.

**2) Absences/Tardies/Missing School:** Athletes who exhibit a pattern of being late to school or to practice will not be allowed to participate in contests or practice. A student who is not in attendance by 9:30am will not be allowed to practice or participate in an athletic contest on that day. Exceptions such as doctor's appointment (please provide a doctor note) or family emergencies that cause your son/daughter to arrive past 9:30am must be made aware and approved through the athletic director or the school office. If you are unsure if an exception will be approved please check with the athletic director beforehand. Missing practices no matter what the reason (exceptions: death in the family, personal sickness) will be left up to the coaches to determine if playing time will be affected.

**3) Dropping a Sport:** Any athlete choosing to withdraw from a sport must notify their coach and their parents at the time of the decision. Failure to do so may jeopardize their eligibility to participate in other sports. Participation fees will not be refunded after one week.

**4) Coaches Rules:** The coach of any team sets the rules for his/her team. These rules must be consistent with the Athletic Department and school policy. They may not be contrary to any policies as stated in the Athletic Code. A coach may discipline a student-athlete for violation of these rules. The rules set by the coach will be written and explained. Copies of the rules will be posted for athletes, and filed with the Athletic Director and Executive Director. If desired, parents may obtain copies of these rules.

**5) Buses:**

1. Students will get released 15 minutes before the bus leaves. Teams that play a sporting event outside and are not provided a locker room to change in at the game are encouraged to change during lunch or a study hall.
2. All athletes must ride the team bus to and from each contest.
3. When it comes to contests in the city of Green Bay, a bus will provide a one-way trip to the contest. Students who are able to drive may take their car but need to have permission slip/email to the office from their parents in order to do so. If the student-athlete does not have a car they must take the bus and cannot ride with someone else to the contest. Exception to this rule is if they are siblings.
4. If an athlete wishes to ride home with parents after a game:
  1. Permission from the coach must be granted.
  2. A written request must be filed in the AD office the morning of the contest.

3. If a parent of another player wishes their son or daughter to ride home from a game with someone else's parent, a note from both giving such permission must be filed the morning of the contest.
4. In the event of an emergency, a personal parental contact must be made with the athlete's coach.

**6) Training Rules:** Smoking, drinking, immorality, cheating and behavior unbecoming Christian athletes, stealing, and drug use are contrary to everything we stand for at NEWLHS and therefore, these will not be tolerated. We, along with the Lutheran Church, feel gambling is a potentially dangerous and addictive behavior. Therefore, we ask our athletes to refrain from gambling. Violations of any of the above will be handled in the following manner:

- A. **FIRST VIOLATION:** The penalty for the first violation of the above will be the suspension of the athlete for CONSECUTIVE CONTESTS THAT REPRESENT 25% OF A REGULAR SEASON SCHEDULE. On the report of a violation, the athlete goes on probation while the incident is investigated. When all information has been obtained and a decision made by the athletic staff, said penalty will begin. Specifically, this means that a student would be permitted to practice (at the discretion of the individual coach), but not permitted to suit up for any contests during this period. Although the penalty may carry over into the next school year, a student with only a first violation would begin the new school year with a clear record. No exception is made for a student who becomes a participant in a treatment program.
- B. **SECOND VIOLATION:** A second violation will bar the student from athletic participation in any sport for the next 50% of the interscholastic events in which the student is a participant. No exceptions.
- C. **THIRD AND SUBSEQUENT VIOLATIONS:** On confirmation of a third violation the student shall lose eligibility for the remainder of the year. If after the third violation, the student (on personal violation) becomes a participant in a chemical dependency program, the student may be certified for reinstatement in activities after a minimum of six weeks. Such certification must be issued by the director or a counselor of the chemical dependency treatment center.
- D. The policies of this code must be followed by the student- athlete throughout the entire calendar year, including the off-season and vacations. Anyone can report violations, and should feel the responsibility to do so. Any athlete at a gathering where such activities are going on, (smoking, drinking, taking drugs) must leave immediately, or be considered guilty of breaking the rules. As Christian athletes we can show our commitment to the team, and one another by our example. When others are breaking rules, we help them by correcting them, and simply by the example of leaving. When we don't, we show that we agree and condone their action, therefore making us guilty as well. Penalty for condoning the action is the same as the action itself.
- E. It is the Athletic Director's responsibility to inform the student, and parents, of the violation and penalty. If there is a circumstance where he/she cannot do this, then the

Executive Director will carry out this responsibility. In all cases, the coach must inform the Athletic Director of the violation in writing.

**7) Athletic Eligibility:** In order to be able to participate in the athletic program a student must:

- A. Fulfill all WIAA requirements including:
  - a. Not reach their 19<sup>th</sup> birthday before August 1 of any given school year.
  - b. Not compete with any other team during the season. This includes any recreational, AAU or church teams. If done, the student becomes immediately ineligible.
  - c. Be on the attendance rolls as a duly enrolled of a non-public member school as a full-time grade 9, 10, 11 or 12 students, and resides full-time with parents, custodial parent or guardian.
- B. Fulfill all NEWLHS requirements, which are based on WIAA requirements, but may be more stringent than WIAA rules. They include:
  - a. When failing a class after any marking period, the student athlete enters a probationary period of two weeks. During this period, the athlete may attend practices and play in games, but should be working to correct the failing grade. If after two weeks the student athlete is still failing, he/she will not be allowed to continue practice or attend/play in games until the grade is passing.
  - b. When failing a second semester class, probation begins when classes begin.
  - c. If a student becomes ineligible during the season and does not complete the season, they will not be eligible for an athletic award.
  - d. If a student fails two or more classes, they will fall under WIAA guidelines which follow (from the WIAA handbook):
    - i. A student must meet school and DPI requirements defining a full-time student and have received no more than one failing grade (including incompletes) in the most recent (school issued) grade-reporting period.
    - ii. A student who becomes academically ineligible may regain eligibility on the 16th scheduled school day by meeting the academic standard, following a period of 15 scheduled school days and nights of ineligibility.
    - iii. A student regains eligibility immediately if incompletes are made up within two weeks after a grade-reporting period.
    - iv. A student may erase ineligibility status related to the last grade-reporting period of the school year through summer school courses (including correspondence courses) at the same or some other school, provided:
      - v. The student successfully completes not less than the same number of courses which caused ineligibility.
      - vi. A student who is ineligible for a minimum of 15 scheduled school days, under the provisions of this Section, may not return to competition until the school day following the 15-day ineligibility period.
      - vii. The ineligibility status described in the introduction to this Section (A) will be adjusted as follows for students in fall sports in which the date of earliest allowed competition is before the first day students are in class and for students in summer baseball:

- viii. Fall Sports – The minimum ineligibility period shall be the lesser of (1) 21 consecutive calendar days beginning with the date of earliest allowed competition in a sport or (2) one-third of the maximum number of games/meets allowed in a sport (rounded up if one-third results in a fraction).
2. Since we now have more than one sport available for both boys and girls in the same season, we have seen the tendency for athletes to begin one sport and then change to another. Though there is no stated policy against this practice, we as an athletic staff encourage athletes to choose the sport they wish to participate in and stick with it giving their coaches and themselves the opportunity to develop skills and knowledge of the game. When an athlete changes sports, it stunts the growth of both the athlete and the program. As parents and athletes, we ask that you talk about this before deciding on which sport to participate in.

### **SECTION THREE: REQUIREMENTS BEFORE PARTICIPATION CAN BEGIN**

- A. Freshman and Juniors must turn in a WIAA physical card. Sophomores and Seniors turn in an alternate year parent permission card.
- B. The signature page on the last page of this booklet, Prevea health forms, concussion online and the athletic fee (NEW ATHLETES - \$80 per sport), must be turned in to the coach/completed before practice begins.
- C. Athletic fees must be paid to the athletic office and tuition must be current. Any athlete who quits a sport, or becomes academically ineligible, will not receive a refund of the athletic fee.
