BLAZER BUZZ

A DEER IN THE HEADLIGHTS

As the 2025-2026 school year begins the theme for the year is **SHINE**. The theme verse comes from Matthew 5:16; *"In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in Heaven"* (ESV). No pressure there, right? As Christians, we only need to do things in such a way as those around us see our light and that brings glory to our Father. As I have been thinking about how to do that I realized that I often find myself in the situation of the deer here.

School day duties, meetings, planning, discipline, family, hobbies, answering a question or two hundred a day, interacting with other drivers on the road, church - deer in the headlights! All of a sudden, I find myself frozen. Just like the deer in the headlights of the oncoming car, but it's not a car, it's an 18 wheeler barreling down on me at full speed. How in the world can I not get run over? And not only not get run over but how can I turn things around and be the light that others see?

As I thought about being the light, I was reminded of words from a song that Peter Scholtes penned in the 1960s:

We are one in the Spirit, we are one in the Lord
We are one in the Spirit, we are one in the Lord
And we pray that our unity will one day be restored
And they'll know we are Christians by our love, by our love
Yeah they'll know we are Christians by our love

We will work with each other, we will work side by side
We will work with each other, we will work side by side

Helping families prepare Christian leaders.

And we'll guard each man's dignity and save each man's pride
And they'll know we are Christians by our love, by our love
Yeah, they'll know we are Christians by our love.

This song was based on John 13:35, *"By this all people will know you are my disciples, if you have love for one another"* (ESV). As I thought about the song and the verse, it reminded me of the ways we support each other in the team ministry at the high school. We work side by side, we support each other back to back and we work together face to face.

There are times in our lives when we shine brightly and there are times when we are frozen in the light of busyness, sin, despair and maybe even hate. However, we have a loving Father who sent his only son, Jesus Christ to be our perfect light.

In all that we do, in all of the struggles we encounter, in our stumbling and falling, in our times of being frozen - Christ in us - shining his perfect light. We are able, through our faith, to share that light with those around us. Christ has given us his light through the Spirit, so that we may be the light to those around us. Through our Love, we shine the light of Christ. Through our daily responsibilities, we shine the light of Christ. Through our kindness to our fellow drivers, we shine the light of Christ. Through answering a question or two hundred, we shine the light of Christ. Through working side by side, back to back and face to face, we shine the light of Christ. Through shining the light of Christ, we bring Glory to our Father in heaven!

SHINE your light! Bring glory to our Father!
